

# Stages

## Stage

Our stage rentals can be tailored to meet any of your event needs. They are great to be used for anything from a small presentation, to raised seating at a wedding, DJ booth or band!

Dimensions: Available in 4'x4' pieces (8'x8', 16'x24' etc)

*Available with 1' or 2' tall legs (or no legs for just small elevation off floor)*

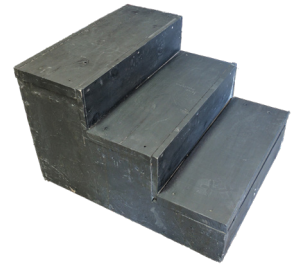

## Stage Stairs

Make your stage more easily accessible by adding our stairs! They make getting on and off the stage less of a hassle and reduce the risk of anyone getting injured at your event!

Dimensions: 20"x25"x30"

*\*Stage Stairs only available for 2' tall stages\**

## Under Stage Lighting

Make your stage impossible to ignore by adding some lighting! It will put the attention on the speaker / event happening on the stage and also create a unique visual for guests to look at.

*Under Stage Lighting can be any color including white, blue, red, green, purple, pink, color changing and more!*

## Stage Skirting

Stage skirting is an elegant addition to a stage that can hide anything being hidden under the stage or simply give the stage a more unified look. We add our skirting around the entirety of the stage so it looks seamless and elegant!

Dimension: available on any height stage.

*Stage Skirting is available in black, white, or ivory*

## Stage Carpet

Stage carpet can be used to lay a nice floor on your stage!

*Stage carpet available in black/ grey.*
