

Indoor Uplighting

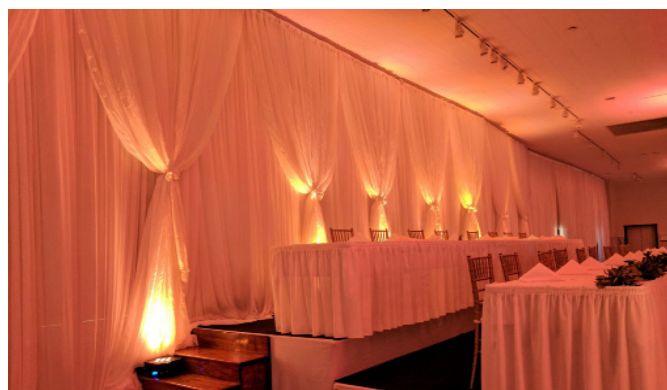

Top off your event with unique and customizable uplighting. Uplighting will transform your indoor venue and wow your guests! It is also capable of reaching the ceiling of any room!

Lighting available in any color including white, off white, gold, amber, blue, red, green, pink and more!

Indoor Battery Powered Uplighting

Have a spot that you want lit but no power source nearby? No problem! Our battery powered uplights are perfect for locations with limited power outlets inside of your venue!

Outdoor Uplighting

Stun your guests by lighting up the trees leading up to and surrounding your venue, or light up the venue itself! Your guests won't be able to miss where your wedding is!

Lighting can reach the top of buildings and tall trees!

Lighting available in any color including white, off white, gold, amber, blue, red, green, pink and more!

Outdoor Battery Powered Uplighting

Battery powered uplights are a great choice for lighting trees or buildings that don't have power sources readily available. These lights can reach any ceiling height, trees or buildings!
