

Fans

No one wants to be uncomfortably hot during a big event that has taken months to plan. This no longer has to be a concern because our fans will blow your troubles away! Our fans provide a cool breeze to guests and allow everyone to enjoy the day!

Dimensions: vary

Heaters

Do you want an outside event but you aren't sure if the weather will be warm enough for guests to enjoy themselves? This is where our propane heaters comes in handy! These noiseless heaters help warm you and your guests up without being an eye sore or a distraction. The flame enclosed in a glass cylinder creates a warm, cozy ambiance and adds a nice aesthetic rather than sticking out or ruining the mood!

Dimensions: 89 x 19 x 19 inches

includes full tank of propane and will last 6-8 hours

put off heat to a 10-15 foot diameter
