

Shade Sail

Looking for a classy way to provide shade for your wedding or event? The shade sail is a perfect solution for you! This spandex shade can cover your wedding or event while keeping your guests comfortable and away from the heat. The spandex will allow just enough sun to get through for you to enjoy your beautiful day without being an eyesore for you or your guests!

Dimensions: 20x20' or 15x15'

Shade Sails are used for shade/ decor.

They cannot be used as a cover from rain, snow or as a replacement for a tent for weather protection.

Can be hung off trees, building structures, etc.
